EXECUTIVE COMMITTEE OF CHURCH EXTENSION
REPORT TO
WILMINGTON PRESBYTERY
OCTOBER 15, 1957

In gratitude to God, and to many workers throughout our Presbytery, The Executive Committee of Church Extension submits the following report of work which has been done through and by its sub-committees.

HOME MISSIONS

The sub-committee on Home Missions, as it begins its report, wishes to call your attention to the annual report of the Treasurer of the Home Missions Committee for the year ending December 31, 1956. This is printed in the Minutes of the Presbytery of January, 1957. This will give you a detailed statement of receipts and disbursements of the Committee for the year.

As of this date the Committee is disbursing salary supplements to fifteen pastors who are serving twenty-four churches. This aid amounts to an average of $1,200 per month. In addition to the salary aid given to pastors, the Committee disburses salary supplement to two women who serve as church visitors for the Jacksonville and Trinity churches. Both the Board of Church Extension and the Synod's Committee on Church Extension share the salary aid for these workers. The Presbytery's portion of the aid amounts to $4,300.00 per year.

Grants-In-Aid were made during the year to Jacksonville to the amount of $1,000, and to Carolina Beach Church to the amount of $1,250. The Committee hopes to further aid these churches by an additional gift to the Carolina Beach Church of $500, and the receipts of Call #2 of the Church and Manse Assistance Fellowship for 1957 to the Jacksonville church. The Committee makes regular payments on money borrowed by the Committee for grants-in-aid to the Acme Church and the Chapel on the Boardwalk for sanctuaries, and for the erection of six manses. Payments on these loans amount to $7,200 per year, plus interest, or approximately $7,500.00.

The evangelistic record of the aid-receiving churches greatly exceeds that of the self-supporting churches in the Presbytery. During the year 1956 these churches received 109 members on profession of faith, out of a total of 452 received by all the churches. Of the 689 members received on certificate in the Presbytery, these churches received 202. These churches, with one-seventh of the membership, received one-fourth of the new members.

The Stewardship record in aid-receiving churches is poor in comparison to the self-supporting churches. Only two churches in the twenty-four came up to the level of Presbytery in per capita gifts to benevolences, and only six came up to the level of Presbytery in total per capita gifts. Various changes have been made in a number of the pastorates of our churches which you will note in the reading of your minutes of Presbytery.

NEGRO WORK

At present there is no Negro work being carried on in our Presbytery. On an Assembly-wide basis, Negro work is moving rather slowly. There are seventy-four Negro churches, with forty-eight Negro ministers, and a total membership of 5,300. The emphasis in the Assembly's Negro work is being placed on establishing new churches among the educated of the race where there are new housing projects. While this work is outstanding it has put our work with the Negro among those of the "higher level and educated." This plan is followed at the insistence of Drs. Lawrence Bottoms and Claude Pritchard who feel that the illiterate masses have their own patterns in religion. It is a challenging area in which our church is working, promising for the Negro in years to come an able leadership among its own people.

The sub-committees on Radio and Christian Relation have no report to make.

In lieu of a written report from the sub-committee on Evangelism, we request that the Reverend Horace Hilton, chairman of this sub-committee be heard for five minutes as he makes a verbal report.

Respectfully submitted,

E. D. WITHERSPOON, *Chairman*
Executive Committee of Church Extension

The Rev. J. C. McCann presented the report of the Committee on Homes. It was adopted as follows:

Your Committee on Homes calls your attention to the reports of the Boards of Trustees of Barium Springs Orphanage, Presbyterian Homes Inc., and the William Black Home which were made to the 1957 meeting of the Synod of North Carolina, noting that since the making of these reports the new church at Barium Springs has been dedicated. Your committee makes the following recommendations:

1. That it be called to the attention of the churches of the Presbytery that the Thanksgiving Offering last year was a little lower than in previous years, and the churches be urged to observe the Sunday prior to Thanksgiving as Presbyterian Orphans' Home Sunday and take a special offering for Barium Springs at that time.

2. That the churches of the Presbytery be urged to inform their members about the work of the Presbyterian Home for the Aged at High Point and give their members an opportunity to give to the work especially during the Mother's Day season in the Spring.

THE COMMISSION ON THE MINISTER AND HIS WORK

September 19, 1957

The Commission on the Minister and His Work, of Wilmington Presbytery, met in the St. Andrews-Covenant Church on Thursday, September 19, 1957, at 5:00 p.m. Members present: Miller, Worth, Wilkins, Scoggins and ex-officio member L. A. Taylor. Rev. J. W. Miller, temporary Chairman of the Commission called the meeting to order. Rev. C. W. Worth led in prayer.

The request was heard from the Pulpit Nominating Committee of the First Church Wilmington for permission to extend a Call to Rev. John R. L. A. TAYLOR, *Secretary*

The Rev. Horace Hilton spoke briefly concerning the work of Evangelism.

The Rev. Strad Snively presented the report of the Committee on Records. The amendment to the Book of Church Order, sent to the Presbyteries by the General Assembly for action was read. Presbytery voted on the amendment as follows: 69 approved—None disapproved.

A proposed change in the manual was docketed for the January meeting as follows:

The Records Committee of Wilmington Presbytery, desiring to amend Presbytery's Manual, submits the following proposed change and respectfully asks that the proposed revision be docketed for the next stated meeting at which time action can be taken upon it.

The proposed amendment deals with the section outlining the duties of the Records Committee, specifically the last paragraph of section "i" on page twelve. This paragraph now reads as follows:

"The Committee shall be composed of five persons, at least two of whom shall be lay persons, and shall report to Presbytery at the January meeting."

We propose that this paragraph shall be worded as follows:

"The Committee shall be composed of five persons, at least two of whom shall be lay persons. This committee shall undertake the examination of sessional records at the January meeting and may report to Presbytery at the April meeting."

It is impossible for the Record's Committee to undertake the examination of sessional records and to make a thorough report of such an examination in one day. The proposed amendment will allow ample time for a suitable and acceptable report.

Respectfully submitted,

S. T. SNIVELY, *Chairman*
Records Committee

The Rev. M. C. MacQueen reported for the Camp and Conference Center Committee. The report was received as information and the following recommendations adopted:

We recommend that Presbytery dissolve the present committees on camp site and on camp construction, and that a special committee, on site procurement, of at least five members be appointed by the Christian Education Committee for the purpose of selecting an adequate camp site for recommendation to the Presbytery and the funds now held by the present committees be placed on deposit by the Treasurer of the Committee on Christian Education until such time as a suitable camp site has been selected and the money is needed. To implement this latter part of the recommendation we offer the following resolution: That Roy Carter, Treasurer of the Camp and Conference funds, be authorized and directed to turn over to Rev. Jerry C. McCann, of Wrightsville Beach, N. C., such funds as he may have on hand or may receive for the cause of the Camp and Conference Center.

The Ad Interim Committee on Christian Baptism was dissolved with thanks.

The Rev. W. H. Allison reported on the Every Family Plan now being promoted by the Presbyterian Survey and urged members of the Presbytery to give consideration to the use of this plan in their respective churches. The report was received as information.

Rev. Edward Connette reported for the Leave of Absence and recommended that:

(a) the following persons be excused from the meeting—W. B. Hood, J. S. Steele, D. B. Jenkins, J. W. McGinnis, J. S. Stevenson, E. D. Witherspoon, W. F. F. Little; (b) the following persons be excused from the afternoon session—J. W. Miller, C. H. McLean, A. W. McEwen, W. C. Scoggins, Charles Thompson.

1. To the men of the Pollocksville Church for their hospitality.

4. And finally, to the pastor of the Pollocksville Church, the Rev. Mr. W. F. F. Little, for making the necessary arrangements for the meeting although he could not attend.

Respectfully submitted

REID H. ERWIN, *Chairman*

REVEREND C. CLAUDE MYERS

Reverend Charles Claude Myers, a retired minister of Wilmington Presbytery was called home August 22, 1957, in Wilmington, North Carolina, where he had resided for the past thirty-three years. Interment was in Leesburg, Virginia.

He was born in Waterford, Virginia, on October 24, 1879. He attended the public school in Waterford, the High School in Leesburg, George Washington University, and Union Theological Seminary.

He was Ordained a Minister of the Gospel on October 12, 1913, by the Concord Presbytery. He served pastorates in Kannapolis, N. C., North Charlotte, N. C. and Concord, North Carolina before moving to Wilmington, N. C. in 1924. During his residence in Wilmington he served as pastor of the Delgado and Topsail churches, and for nearly fifteen years served as Stated Supply for the McClure Memorial Church.

He was married twice during his lifetime, first to Mary Agnes Williams, of Leesburg, Virginia, who passed away in 1942; and then in 1944 to Mrs. Daisy Lee Kirkpatrick, of Philomont, Va., who survives him.

The Rev. H. J. Kaylor read the report of the President of the Women of the Church of Wilmington Presbyterial. It was adopted as follows:

ANNUAL REPORT, WOMEN OF THE CHURCH WILMINGTON PRESBYTERY

During the third year of the General Assembly's "Forward With Christ" program, the Women of the Church of Wilmington Presbytery have tried to discover and understand the demands and meaning of "Christian Citizenship." The Chairmen of Causes, District Chairmen, Officers and Local groups have emphasized this theme throughout the year. We believe the women have been aroused to their responsibility as a Christian Citizen.

We have 5,098 members in 74 groups. 17 of our women attended Synodical Training School in Raleigh, 24 women, 4 children and 1 man the Woman's Conference at Montreat, 2 the World Mission Conference and 1 Church Extension Conference. 36 of our Young People attended the Sixth Quadrennial Youth Conference in December at Lexington, Ky. Twelve Negro women attended the Negro Woman's Conference at Winston-Salem.

Dr. Balmer Kelly was in our Presbytery in March for our special Bible Study of the Minor Prophets. The Rev. Ludwig Dewitz, of the Emmanuel Center in Baltimore, spoke in eleven churches in September, on the work he is doing among the Jews. He was a real inspiration to all that heard him and we are beginning to realize how we have fallen short in ministering to those living next door to many of us.

We have had encouraging reports of the interest of the women in Bible Study, Prayer Groups, Family Altars, Visitation Evangelism, work with the shut-ins and older adults. Encouraging the Young people to attend Conferences and taking groups to the Vocational Guidance Clinic at Flora Macdonald. Working with the handicapped children and Alcoholics, sending warm clothing for Overseas Relief, aiding the needy in our communities, working in the Church Schools and Vacation Bible Schools. Much has been accomplished for which we are grateful to God and give Him the Glory. We are concerned that we are so low in Benevolent giving as compared with other Presbyteries, that it took 33 of us to win one person for Christ last year—that no new Missionaries have gone from our Presbytery since 1954 and that no new churches have been organized. We realize from this that we have not been good stewards of our time, talents or gifts. As we look forward to our emphasis for 1958 "The Nature and Mission of the Church," we would like the following objectives to permeate the whole work for the year and in every phase of the work:

1. To lead persons to a more complete understanding of the nature and mission of the Church as a fellowship of all believers, instituted by God, in which He confronts man and seeks a response of acceptance and obedience.

2. To help church members understand that their local church is a part of this fellowship and endeavor to make it a fellowship through which the Gospel is proclaimed, an atmosphere created conducive to Christian Growth and experiences are provided for the development of its members in Christlikeness.

3. To help each accept his responsibility in the local Church as a part of the Universal Church. And thus help make the Church what our Lord and Saviour meant it to be.

MRS. J. R. BENSON, *President*

The Rev. W. H. Allison gave a verbal report on Campus Christian Life. The Rev. J. S. Brown, Raleigh, reported on the Campus Christian Life Campaign. The following recommendations were adopted:

COMMITTEE ON HIGHER EDUCATION
CAMPUS CHRISTIAN LIFE

RECOMMENDATIONS

Because of the opportunity we have to discharge our obligation to the large number of Presbyterian students at other than Presbyterian colleges in the Synod of North Carolina, and

Because of the unusually effective work being done through the Westminster Fellowship by the student workers that we have at these institutions, and

Because of the woefully inadequate facilities, especially at Chapel Hill, that these workers have to work with, and

Because we raised only $200,000 of the $500,000 goal in the Consolidated College campaign for the cause of Campus Christian Life

Therefore, be it resolved—

1. That Wilmington Presbytery sincerely endorse and actively support the Campaign for $300,000 for Campus Christian Life planned by the Synod of North Carolina in March, 1958.

2. That every minister, together with a layman from each Church, be urged to attend a "See It Yourself" tour of the facilities at Carolina, State, and Duke on either February 11th or 18th.

W. H. ALLISON, *Chairman*
Committee on Higher Education

Dr. L. A. Taylor gave the reports of the treasurers of Presbytery, which were received and ordered printed in the minutes as information. The official report will be the auditors report to be presented at April meeting.

The meeting was opened with prayer. The request from the Rev. J. S. Russell and the Elkton Churches that the pastoral relationship be dissolved was granted effective, December 31, 1957. The minutes were read and approved. The meeting adjourned with prayer.

"On January 16, 1958, the Commission met at the Stated Clerk's office. The meeting was opened with prayer. The request of the St. Andrews-Covenant Church for permission to change the terms of the call to the Rev. Edward G. Connette from Assistant Pastor to Temporary Supply was granted.

"The Executive Secretary brought to the attention of the Commission that the group of churches composed of Caswell, Black River, Harmony, and Stafford Memorial have reached an apparent stalemate regarding the division of the field, and that this stalemate is keeping the field from securing a pastor. The Commission requested the Executive Secretary to take such steps as necessary to resolve the stalemate and to speed the efforts of the churches in the securing of a pastor.

"The overture from the Pineland Church that Mr. J. W. Brown be ordained to the full gospel ministry was received and discussed. It was moved that the following recommendation be made to Presbytery:

'That Presbytery answer this request by admitting Mr. J. W. Brown to examination for Licensure, that if the examination be sustained as satisfactory, he be licensed to preach within the bounds of this Presbytery for a period of three years, his past service to the churches be counted as a part of that three-year term; that after the period is up, he become eligible for examination for ordination; that during this period, he be required to pursue studies in further preparation for the ministry under the direction of Presbytery's Committee on Candidates for the Ministry.'

"The minutes were read and approved. The meeting was adjourned with prayer."
